Editing & Translation Service

powered by:
viaLanguage.
say what you mean™

Multiple Languages with No Effort Now Online!

The key to business success is communication. With Kinko's Online Editing and Translation Service you can create clear content in a more convenient and cost effective way. Whether you need your important customer proposal edited or a brochure translated into another language, Kinko's can help.

Our teams of industry-specific linguists translate and proofread documents for some of the world's largest companies. Now they can provide the same high quality service to you.

RapidEdit™ Our exclusive quick-response English editing service

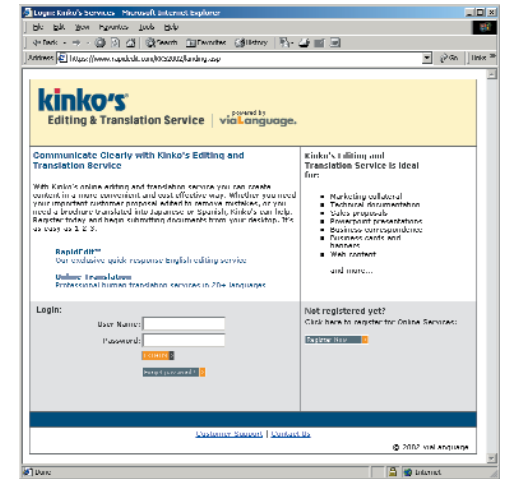

RapidEdit can serve as your primary editing resource, or simply as a backup to your in-house editing staff. Our teams of professional editors can proofread and enhance your written communications in as little as a few hours.

Online Translation Professional human translation services in 20+ languages

Kinko's Online Translation provides you with high quality, professional translations in 20+ different languages. Every job undergoes a three-step process before it is returned to you: 1) Translation by a professional translator specific to your industry 2) Proofreading by a second professional and 3) Our internal 7-step Quality Assurance test.

How does it Work? It's as Easy as 1-2-3

- 1. Login**
Simply login to www.vialanguage.com/kinkos with your personalized ID and password.
- 2. Submit a Document**
To receive an instant price and turnaround time quote.
- 3. Retrieve your editing or translated Document**
You are alerted automatically by email when your document is ready for pickup.

Sign up for your own account today!
